ROBERT J. HUDECEK

The long enjoyed peace of Yon has been disrupted by a ferocious and mean-spirited dragon he's terrorizing the locals and eating their livestock without their permission. Fortunately, a few wannabe heroes (that's you!) have risen to the challenge of slaying the beast. Get yourself a brave companion, gather a powerful army, and enter the Dragon's Keep. For cheese and country!

- Easy to learn and teach.
- Push-your-luck recruitment and battles promise each turn is filled with suspense.
- A variety of companions and magic items ensure each game is different.

1. Gather an army of loyal soldiers or steal them from your opponents!

2. Hire suspicious-looking companions and gain allegedly useful items (most of which aren't even cursed).

3. Fight that dragon you've heard so much about. Or don't, if you hate winning.

GATHER THE COURAGE (IN ADDITION TO A LARGE ARMY) AND ROLL THOSE DICE. LET'S SEE WHAT YOU'RE MADE OF!
