BAKAFIRE

The world is in ruin. Humankind is but a distant memory, but only now have you awoken. You are an automaton in possession of several fragments that once held the will of the human race. The other fragments lie in the hands of your fellow automatons. You must investigate and piece together these fragments so that you alone may fulfill the final will of humanity.

- An engaging game of mystery and deduction.
- Secret memories (scoring rules) guarantee a different experience each time you play.
- Includes expert rules to vary difficulty for experienced players.

1. Discover the eight fragment of humanity's last will.

2. Use the powers offered by the various locations.

3. Find out which memories are in play to succeed in unlocking humanity's last will.
