As dawn breaks, you plant your spurs in the dirt outside the town bank. With a loaded gun in your holster, there's only one question that needs answering: who are you fighting for? The Sheriff, who fights to protect all that's good and pure? Or the Cooper Clan, who fight because it's fun and profitable? They don't call it the Wild West for nothing.

- Simple, intuitive rules.
- Equal parts dexterity and strategy.
- Ten included scenarios offer a variety of ways to play.

1. Split up in to teams: the good and the bad.

2. Flick bullets and dynamite to eliminate the opposition.

3. Engage in tense duels.

4. Rescue hostages, rob banks, poison the wells: all depending on the scenario.
