CAT LADY: BOX OF TREATS
More Feline Friends! New challenges await you and your fellow cat lovers in Cat Lady: Box of Treats. You will need your base game to play but now you get to manage new items, boxes, and cat treats! Plus there’s even more cats to feed with the addition of new stray cats and gray cats! Box of Treats also expands the game to be played with up to 6 players, so now you’ll have to outmaneuver more players to be crowned as the best cat lady in town. Compete for goals, try new strategies, and, as always, keep your cats fed!

SANTA MONICA
In Santa Monica, you are trying to create the most appealing neighborhood in Southern California. Will you choose to create a calm, quiet beach focusing on nature, a bustling beach full of tourists, or something in between to appeal to the locals? Each turn, you will draft a feature card from the display to build up either your beach or your street. These features work together to score your victory points. The player with the most points wins!

JORDAN DRAPER GAMES

JAPANESE DESIGNERS

CACTUS
Cactus (based on the game Tribe, designed by Naohako Shimmoto and published by I-Ien) is a dexterity friction balance game that has players competing for flowers in the desert by stacking strange colored shapes onto cactus! Cactus shares around half of the overlapping pieces with tribe, with the major changes being a re-theme to the desert (my home territory!)? The piece sizes have been reduced by around 50%, there’s a new color scheme, and a lot of fun new shapes! The rules included are also slightly simpler than the original, and both versions can be played.

MATERIAL SERIES

METAL
Play everyone’s favorite classic lawn games such as Croquet, Bocce, and Kubb on your tablet! METAL includes six miniaturized backyard games, including a sleek aluminum two-piece box and solid metal pieces. Use the included tiny golden mallet as an ice breaker at any event, or leave it out on your coffee table as a one of a kind showpiece!

JBD 711436002482 .......................... $35.00

CURRENCY TORRAKU
Currency Toraku is a set of miniature metal pieces that can both be used as a currency in any Tokyo Series game, or as a standalone title! Increments of coins and notes are replaced by different sized objects found in Japanese culture. A small truck is used for the ¥1000, a coin laundry washing machine for the ¥500 and a rice cooker for the ¥100. Place a washer in a truck bed and magically you have ¥5000!

JBD 672975101734 .......................... $25.00

COLORFUL
Colorful (based on the game Match Me! by CHIYI-Tadashi and published by Colony Arc) is a co-op game about categorizing and matching colors as a group. Each turn a player will be given a general topic, and must come up with a one word more specific example within that topic for the group to secretly match with a color card in their hand. After five rounds, cards are checked to see if the group was successful. After translating it into English I’ve also added a competitive mode, two-color mode, and a team version that gives unique insights into what our perception of color is as a species, and how it differs between individuals.

GAME SHOW
Inspired by the extraordinarily entertaining and popular Japanese reality television game, Tokyo Game Show gives players the opportunity to put on a colorful wristband and appear in their very own game show. One player takes on the role of the host, who chooses 5 games to play from a multitude of 63 options in 11 categories. Contestants will have their skills of dexterity, knowledge, wit, rhyming, animal impersonation, and even ability-to-carry-disk-with-pinky-fingers put to the test!

JBD 602573723241 .......................... $40.00

JIDOHANBAIKI
Jidohanbaiki (vending machine in Japanese) is a framework game providing various components from which many games have been created. Complete with 3D miniature drinks, crates, and a vending machine tower to drop the drinks into, the game was made in celebration of Japanese vending machine culture. Just as in life, drinks may become stuck and even knocked out again later! The components were shared with talented designers from around the world who each put their own creative spin on them, contributing to a collection of light to mid weight games.

JBD 602573650578 .......................... $40.00

CURRENCY SAKANA
The first metal currency released for the Tokyo Series, Currency Sakana can act as a beautiful currency replacement set for any game, or as its own stand-alone title! Two games currently exist using only this metal currency set, an economic auction game and a betting and stacking dexterity game. More games will be added online as they are designed.

JBD 602573723202 .......................... $25.00

PRAISE
Praise (based on the game Homero designed by Peke), is a game about discerning whose compliments are genuine, and whose are fake. In Japanese culture, many people praise others as a cultural norm, but your true friends have to be discovered by their honest praises! To mix up the game even more, emotion cards have been added which must be used to flavour the delivery of a complement in game. Can you determine who is giving you a surface level compliment and who is not? Find out in Praise!

JBD 672975101725 .......................... $20.00
JUTAKU

In Tokyo jutaku you will take on the role of a famous Japanese architect with the goal of building small homes on a strange or limited size property. In this real time dexterity game, players will stack geometric pieces according to certain building requirements such as the number of floors, and number of pieces allowed. You can only build with one piece at a time, with no subsequent higher floor overhanging a lower one. The harder your conceptual building the more you will earn if you can complete it first!

JDG 602573650554 $40.00

METRO

Based on the private lines that have formed the Tokyo Metro system, this unique economic simulator brings a lot to the table in a small box. Featuring a fabric map of the actual Tokyo Metro system, Tokyo Metro will challenge economists and gamers alike! Inspiration for the game came from a love of games that offer company holdings, and a drive to expand the genre by adding a unique worker placement system that forces a choice between moving on a physical map and investments.

JDG 602573650585 $50.00

TSUKIJI MARKET

Tsukiji Market takes a bottom-up approach to player driven economics, using tonal wooden fish tokens and dockable resin boats to engulf it's players as Japanese fishermen responding to vast supply and demand, perceptive value, and engine building at Japan's largest wholesale fish market! The game evolves around players investing in certain fish markets, then using the licenses obtained there to fish and sell their catch to other players at a price they choose.

JDG 602573723227 $50.00

WASHI GAME - CATS

The first in a line of games played using Japanese Washi Tape, Cats is a modular experience adaptable for 2-6 players where you will play a cat in search of a fish in the city of Tokyo! Using only a writing instrument for each player, the map is created and players then take turns strategically placing fish and their cat(s). Tokyo Washi Game Cats is the first game in the world made only from a roll of tape! In partnership with mt masking tape, CATS is manufactured to the highest quality in Japan.

JDG 602573723203 $10.00

WASHI GAME - COPS

Take on the role of a Japanese police officer as you find evidence and solve crimes! You can eat ramen to boost your energy and execute special moves. When you find a criminal, you get to draw their face for the public record! This game takes place on a roll of Washi tape, and is thus endlessly modular and scales up to any player count. In partnership with the world famous brand mt masking tape, Cops is manufactured with the highest quality in Japan.
