

# PAIZO PUBLISHING PRODUCT RECALL

Alliance Customers,

Paizo Publishing has issued a recall for **PZO 30052 Pathfinder Flip-Mat: Arcane Dungeons**.

**Return Deadline is Friday August 30, 2013**

Defects in the manufacturing process, including the use of incorrect paper stock and improper folding, caused the Pathfinder Flip-Mat: Arcane Dungeons to crease within its original packaging, wrinkling the protective coating. While this affects the cosmetic appeal and mars the usability of the flip-mats, there are no safety concerns with this product.

## **Recall Credit Instruction:**

Retailers, please contact your Sales Rep to arrange for a return authorization number. Cut out the UPC code portion of the product packaging to send to Alliance in the return to receive credit for the items. You will need to destroy the product. All returns need to be processed and received by Alliance **no later than** August 30, 2013 to be eligible for credit.

### **UPC codes should be mailed back to:**

Alliance Game Distributors  
3102 Brooklyn Avenue, Suite B  
Fort Wayne, IN 46809  
Attn: Sue Gering

*Retailers should clearly identify their store with the return!*

Unfortunately, the next flip-mat in the product line, PZO 30053 Pathfinder Flip-Mat: Thieves Guild shares the same defect and will not make its original July 2013 release date. This flip-mat is being reprinted, with a rescheduled release date TBD.

**We appreciate your cooperation and apologize for any inconvenience this may have caused.**

**Paizo Publishing, LLC**
